Instructions for resetting a digital signature (in case of lost password):

1. Open Adobe Reader

2. Click on "Document" on the toolbar

3. Click on "Security Settings" (a window will open)

4. Click on "Digital IDs" in the upper left corner

5. Click on "Add ID"

6. Clicking "Add ID" will prompt you to go through the steps for setting up a digital id.

7. Click create a self-signed digital ID for use with Acrobat

8. Select New PKCS#12 digital ID file

9. Enter your name and e-mail address and click Next.

10. Enter a password twice.

Once you click on "Finish" you may be warned that the id already exists and asked if you want to replace it. Click "Yes".
